<b>Sorors Served:</b> 2 Collegiates, 1 recently graduated soror, 5 DAC Alumnae Sorors	<b>Non-Deltas Served:</b> None	
<p><b>Summary/Outcome:</b> With this year being virtual, the game night took place of our annual sleepover. It was an exciting time to catch up with the collegiate sorors and get to know a new soror who recently graduated from the Nu chapter. We play two games, Code Red, which is a Delta inspired Taboo game and Perp Alert, which is a murder mystery inspired game but designed to figure out which character is not a real Delta. The Perp Alert game was co-created by Sorors Brittany Knox &amp; Breanna Sullivan. The guests LOVED the perp alert game and thought it was very creative. They also enjoyed playing Code Red. Soror Cassie Williams, DKA DJ Cash Money, attended and played Christmas music that we all enjoyed dancing and listening to.</p> <p>During game night, we learned that two sorors from Delta Psi will be graduating in May and are heavily considering joining DAC. We hope the sorors choose to join but will assist them in finding their next chapter wherever they choose to live post graduation.</p> <p>Attached is the Game Night Flyer, Code Red &amp; Perp Alert game for reference.</p>

# PERP ALERT

A murder mystery game - Delta Edition

## Perp Alert Notes

I think \_\_\_\_\_ is the perp!

These are the clues I found: \_\_\_\_\_.

This tells me \_\_\_\_\_

I found : \_\_\_\_\_ to be very suspicious.

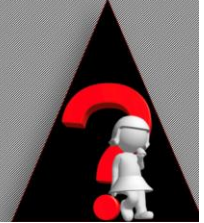

My Final guess is \_\_\_\_\_

## Which person is not a member of Delta Sigma Theta Sorority Inc. ?

### Suspects

- Laila (Line Name Sweet Sweet)
- Tonisha (Line Name DeSTiny)
- Phylcia (Line Name 2Times)
- Frankie (Line Name Can't Touch This)

## Event 1

The Nu Nu Beta Chapter of Delta Sigma Theta Sorority Inc., located at Minerva University has just introduced a line of 10 neophytes. Attending their NIP are the surrounding chapters, Beta Rho Zeta, Gamma Phi Lambda and Rho Omicron Epsilon.

- During the final reveal, **Phylcia** is introduced as soror Two Times. With the crowd in complete shock, an argument break out amongst the Rho Omicron Epsilon chapter.
  - "Really, she tried to join through the RhOE chapter but was rejected, her grades weren't Delta ready"
  - "no wonder her name is Two Times... this must be her second time trying to join Delta"
  - "Hold up, how did she join Nu Nu Beta if she was rejected from our chapter last semester?"
  - The NIP ends and all Sorors meet up for the Delta Christmas and Fellowship

## Event 2

Before Christmas break, the Nu Nu Beta neos host a Fire and Ice party with the Alphas. Amongst them were visiting sorors from RhOE, Gamma Phi Lambda and Beta Rho Zeta.

- Typically visiting chapters reach out to Nu Nu Beta before stepping on their yard but since they are all a part of the same state, the Sorors felt they could just, show up.
- The Beta Rho Zeta sorors show up first and bring with them GDI's and their friends.
- The GDI's are too geeked to be hanging out with Beta Rho Zeta sorors at a Christmas party. This is the closest they have ever been to Delta's, outside of their friends.
- A friend of the GDI's, **Laila**, is a neo from an outside state, Vega State University - - Iota Mu Chi chapter and a youtube personality.

## Event 2 cont'd

Gamma Phi Lambda arrives and greet the Nu Nu Beta and Beta Rho Zeta chapter. The party is a little slow so they start taking photos and making videos to share on social media.

- "Knuck if You Buck" starts playing and Sorors quickly run to the floor to do their stroll
- Everyone is strolling when a pro, **Frankie** from Nu Nu Beta shows up late with her best friend **Tonisha**. **Tonisha** pledged at Gamma Phi Lambda her sophomore year so Frankie felt comfortable hopping on the floor to stroll alongside **Tonisha**.
- **Tonisha**: "Girl I can't wait to start classes at Minerva U, this school is so hype"
- **Frankie**: "Really, I had no clue you were transferring, what happened at Creme Mahogany University?"
- **Tonisha**: "Well you know I was on line for a minute and that process made me realized I wanted to switch majors. They don't have kinesiology there so i'm transferring to Minerva to finish up my degree"
- **Frankie**: "Oh ok! Well welcome to the M U!!!"

## Event 3

The Fire & Ice Party was lit! Footage from the night began to pop up everywhere on Instagram and Twitter

- One photo caught a lot of attention. **Laila**, who's hair is fire engine red, seemed to have the time of her life, taking photos with the Alphas, Ques, Kappas, and Iotas. A photo of **Laila** showed up on Greek Shenanigans Instagram page because here hair was part fro, part straight from all the dancing and sweating.
- If you look closely at her mid, her thumbs are bent and those pinkies had a lot of air between them.
- A video surface of Nu Nu Beta chapter Sorors messing up their stroll, well they did just cross, but it was clearly their first time.
- **Phylicia** just couldn't get the duck walk right and looked confused every time that part of the stroll came.

## Perp Alert Notes

I think \_\_\_\_\_ is the perp!

These are the clues I found: \_\_\_\_\_.

This tells me \_\_\_\_\_

I found : \_\_\_\_\_ to be very suspicious.

My Final guess is \_\_\_\_\_

## Event 4

It's graduation time! The Midwest Region hosted a party for all of the Delta grads. Unfortunately, none of the girls were able to attend for various reasons.

- **Phylicia** had been secretly watching Laila's videos to learn how to duck walk, and she broke her leg.
- **Laila** received backlash online from the Fire & Ice photos, so she released a video titled "Why I decided to denounce DST".
- **Tonisha** transferred to Minerva U, but lives off campus. She was sick the day of the party.
- **Frankie** graduated and immediately left on a celebratory trip out of the country.

**CHALLENGES/BARRIERS:**

- Unfortunately due to COVID-19 and directives from both the National Pan-Hellenic Council and the nine member organizations, several events have been cancelled and/or postponed indefinitely. However, this

has forced the Metro Detroit Chapter of NPHC to become innovative when it comes to our programming, outreach and impact within our respective organizations and service areas. While we have noticed an increase in attendance at some of our events, we mindful of “Zoom fatigue”. Thus, we have revamped some of our traditional programming to accommodate for the “new normal” while postponing events that are not virtual friendly. As we continue to meet and work remotely, we will continue to partner with organizations whose objectives are in alignment with the National Organization, chapters within the state of Michigan and our respective organizations, raise funds and promote unity among the 26 chapters that make up the Metro Detroit NPHC.
